

Good morning, everyone. We have the following announcements:

1. This Monday, as it is the last Monday of the month, we will have Mass in St. Anthony's at 6:00 p.m. We will also have our Bible meeting, in Portuguese, at 8:30 p.m., also in St. Anthony.
2. This afternoon, at 4:00 p.m., there will be an organ concert here in the Church of Santiago.
3. If you have questions regarding the ongoing renovations to the Parish Centre, or wish to make a donation, please contact Mike Durant. Approximately 13,000 euros remain to be raised in order to complete the project. We express our sincere gratitude for the generous support already shown by the community. Further details about the planned renovations are available in the brochures located at the church entrances.

All of these announcements will be posted in our WhatsApp group and the English Community website. Thank you.
